# SRE Policy: Annual Reviews

## Policy

At the end of each year the SRE Co-ordinator and the Pastor will conduct an annual review of SRE. This may include a meeting of all SRE Teachers and Helpers authorised by New Life.

This review will consider issues such as the following:

- Did all teachers use the curriculum?
- Is the curriculum helpful and relevant?
- What other material was used?
- How do SRE Teachers relate with school staff?
- Any other issues identified by either the Department of Education or the SRE Co-ordinator.

## Procedure

At the end of the SRE teaching year, the Pastor and the SRE Co-ordinator will arrange a date for the review and invite participation of all SRE Teachers.

The Annual Assurance form, together with the issues above will form the basis for the review.

From 2020, reporting the results of the review process will be included in the Annual Assurance process.
