# SRE Policy: Approval of Curriculum and Other Resources

## Policy

All material presented by SRE Teachers, including material downloaded from the internet must be approved by New Life Christian Fellowship prior to its use.

Factors to be considered include the following:

- Agreement of material with the Bible and the teaching of the Church
- Appropriateness to the age and development of the class
- Relevance to the curriculum
- The Code of Conduct of the Department of Education

## Procedure

### Curriculum

Prior to any change in the curriculum the Pastor will consult with the Narrabri Ministers Fellowship and then report to the Leadership Team who will decide whether to approve it.

### Other Material

Material provided with or recommended in the curriculum will be considered to

be part of the curriculum

Resources from all other sources must be submitted to the SRE Co-ordinator at least 2 days before the proposed use in class. The Co-ordinator may approve or reject the material on behalf of the Leadership Team.

The Leadership Team may give blanket approval for songs or video clips by a particular provider, for example recorded music or video clips.
